

GALAXY ZOO: HUMANS, MACHINES, FILTERS, OH MY!!

MELANIE BECK, LUCY FORTSON, CHRIS LINTOTT, CLAUDIA SCARLATA

Draft version March 4, 2016

ABSTRACT

Abstract stuff.

Subject headings: stuff and things

1. INTRODUCTION

Galaxy evolution. Need for morphology.
Need for semi-automation – big upcoming projects,
legacy projects.
Attempts at automating galaxy classifications – pros and

cons?

Revamp Galaxy Zoo to meet future demands – scaling.
Guess what we did? It's super awesome...
